12305	English	One or more sessions are already open with this account. You may do one of three things:1.) To administer an already active session on this device enter your session ID in the box below and click [Enter]. The device which is already hosting the session will be locked out and this will be the only device which can oversee the session. This action will be invisible to all the students who may be in your session and will not interrupt any ongoing testing.2.) If you are unsure of your sessionID or you believe this may be an error click [Start a Different Session]. This will create a new test session. Any students testing under the old sessionID will not be interrupted, but they will need to re-login under this session if you are overseeing their session on this device.3.) Click the [Logout] button to log out of this device. Ongoing test sessions will not be interrupted.	Proctor

12531	English	<p>Early Assessment of Readiness for College English The CAASPP results will assist the California State University (CSU) system and the California Community Colleges (CCC) system in providing you an early assessment of your readiness for college-level English placement tests that are required for entering freshmen. Your results are not required or used for admissions. Your CAASPP results will be provided to the institutions for which you have applied by marking the release circle. If you mark the "Do Not Release" circle, you will be required to submit the results at a later date if requested.</p> <p>Release Authorization By filling in the bubble below, I acknowledge that I am voluntarily releasing the results of my English/Mathematics college readiness assessment to be shared with appropriate officials at the California State University (CSU) and California Community Colleges (CCC).</p>	Student
12532	English	<p>Did your student respond or orient to the first four questions? Yes, student responded to test question(s) No, student did not orient to the first test question or did not respond to any of the first four questions.</p>	Student
